

Committee Meeting on 6th April 2021 at 2pm

It will be cold on Tuesday. Rap up well. It is permitted for a single household to occupy the shed and so Shelagh and Brian should be in there to sit and take notes. We can stand apart near the doors. Two at each door.

It will be a bit difficult, but we can hold the next committee meeting after the 17th May, in the shed. (Yipee!)

Brian and Shelagh

- John Breach
- Chris Compton Chair
- Steven Dugdale
- Graham Morton Membership
- Brian Trusson Treasurer
- Shelagh Trusson Secretary

The purpose of the meeting is to formally establish and agree our roles and to start to agree a way forward.

Roadmap - Step 3 - not before 17 May

Limited access (up to 6 people) to the shed is permitted.

This is clearly not what we intended for the shed, but it is the best we can do under the covid restrictions.

Step 4 - not before 21 June

The government "hopes to be in a position to remove all legal limits on social contact".

This will not be the case. – I suspect that it will maintain the "Hands-Face-Space" 2M restriction. This will still limit us to some extent. We can only wait and see.

Suggestion for Membership records;

As details are given to CA why not just record CA membership number?
This avoids all Data Protection issues.
